## INTRODUCTION

---

Dear Fellow Hoosier,

As a U. S. Senator for Indiana, it is my honor to serve as a voice for Hoosiers in Washington. I work every day to represent Hoosiers by tackling some of our nation's legislative issues. I also have the honor of assisting Hoosiers with issues relating to federal agencies such as the Social Security Administration, Veterans Administration, and Internal Revenue Service among others.

If you are experiencing issues that are not related to federal agencies, I trust that the information included in this resource guide will be of assistance to you. My office has compiled information and resources that may be helpful to Hoosiers in their time of need. I sincerely hope that these resources are useful to you.

Please do not hesitate to contact my office if I can ever be of assistance to you. You get in touch with me by visiting my website [www.braun.senate.gov](http://www.braun.senate.gov) or by phone at **317-822-8240**. You can also follow me on Facebook, Twitter, and Instagram. I look forward to hearing from you!

Thank you for allowing me to serve you in the United States Senate.

In Service,

*Mike Braun*

Mike Braun  
United States Senator
